UPUTSTVO U SLUČAJU OPASNOSTI

Hotel Harmony podliježe strogim i visokim standardima.

Ispravnost tehničke opreme i inspekcijski pregledi o sprovođenju mjera zaštite od požara obavljaju se redovno.

Pažnja i oprez hotelskih gostiju vrlo su važni kako bi se osigurala najveća moguća sigurnost svih koji se nalaze u hotelu.

Protivpožarna zaštita i opšta opasnost

Na vratima sobe se nalazi plan evakuacije iz Vaše sobe u slučaju opasnosti, zajedno sa ucrtanim položajem ručnih javljača požara, aparata za gašenje požara i obilježenim evakuacionim izlazima (EXIT). Dobra praksa je da se sa njihovim lokacijama upoznate već po dolasku u hotel, kako ne bi gubili dragocjeno vrijeme u slučaju da se javi potreba za njihovim korišćenjem.

Molimo Vas da u slučaju požara ili opšte opasnosti obavezno obavjestite recepciju. U slučaju požara nemojte koristiti lift. Takođe, molimo Vas da saradujete sa osobljem i poštujuete njihove instrukcije u slučaju potrebe.

U slučaju opasnosti, zabranjeno je korišćenje liftova jer se oni tada zaustavljaju.

Ako dođe do požara u Vašoj sobi aktivirajte najbliži ručni javljač požara ili pozovite recepciju, recite broj Vaše sobe i prijavite požar. Nakon toga uzmite sobnu karticu, napustite prostoriju i zatvorite vrata za sobom. Obavjestite goste u Vašoj najbližoj okolini. Pratite evakuacione znake (strelice i EXIT table), i izađite van objekta.

Uočite li dim, budite svjesni opasnosti od gušenja ili trovanja. Nos, usta i oči, zaštitite mokrom maramicom ili peškirom. Sagnite se pri izlazu kroz zadimljene hodnike jer je gustina dima manja pri zemlji.

U slučaju da je izlaz blokiran ostanite u svojoj sobi i pozovite recepciju. Ukoliko ste onemogućeni to da uradite, pokušajte da skrenete pažnju sa prozora svoje sobe. Mokrim tkaninama (peškiri, čaršavi, roba...) zatvorite otvore oko vrata kako bi spriječili ulazak dima. Ostanite mirni, stanite pored prozora u što niži položaj, ali tako da budete uočljivi spolja, držite mokru krpu preko lica i sačekajte dolazak vatrogasaca.

Ako prije ulaska u sobu primijetite da su vrata vruća ili da dim prodire iz prostorije, nipošto ne ulazite, već aktivirajte najbliži ručni javljač požara, obavjestite goste u okolini i prateći evakuacione znakove izađite van objekta.

Ako se radi o vazdušnoj uzbuni, molimo Vas da budete tihi, požurite prema najbližem izlazu i napustite hotel.

U svim nabrojanim slučajevima se nemojte se vraćati u sobu po stvari i poslušajte instrukcije našeg osoblja, ako je u blizini. Potrudite se da ostanete mirni u svakoj situaciji. Na kraju Vas molimo da učinite sve da do požara ne dođe.

Osnovna pravila koja morate poštovati su:

- Ne pušite u krevetu.
- Ne bacajte opuške u kantu za otpatke.
- Nemojte se koristiti svojim aparatima za kuvanje i grijanje.

Prije odlaska na spavanje ili prilikom napuštanja sobe, ugasite sva rasvjetna tijela. Sumnjate li na ispravnost nekog od električnih uređaja, odmah obavjestite recepciju koja će poslati stručno osoblje da pregleda uređaj.

Nikada ne pokušavajte sami nešto popraviti!
